21st ILKESTON - ALBERT SCHWEITZER SCOUT GROUPS

ANGLO/DUTCH EXCHANGE 1972

FOREWORD

It gives me very great personal pleasure to Welcome the Albert Schweitzer Scout Group to the Borough of Ilkeston. I hope your short stay with us will be a happy and memorable one.

The tumultuous welcome that your countrymen gave ours when we passed through your towns and villages during World War Two is still fresh in the memories of all who took part. I only wish such feeling could permeate the whole world today. The feeling of brotherhood we felt towards one another is a marvellous experience and I trust you leave us with such memories.

God bless you all and those you have left at home and I hope that all those who have made your visit possible will be rewarded by the happiness and comradeship which such visits generate.

We all look forward to seeing you and your fellow Scouters among us as often as possible.

Fraternally yours,

J.A. WELLS

Mayor
